EIGHTH EDITION, 1899.

INTRODUCTION.

IN issuing the Eighth Edition of our **ILLUSTRATED PRICE LIST,** we desire to acknowledge the appreciation bestowed upon the Edition it supersedes, and hope that the present volume will be found still more serviceable.

The Goods have been more fully Illustrated, and many new lines have been introduced. A Number has been given to each item to facilitate the clear specification of orders. The Prices have been carefully revised, and, in many cases, important reductions effected, to which we invite the examination of buyers.

We take the opportunity of thanking our numerous Customers for their continued confidence, and we hope this Edition of our Catalogue will lead to a further development of the business entrusted to us.
